

Lincoln Contracting & Equipment, Inc.

Fabrication Capabilities

We have three fabrication shops totaling 120,000 square feet where we are fully equipped to custom fabricate structural steel, platework, chutes, bins, ductwork, piping, miscellaneous steel, and conveying equipment. Recent additions to our shop include computerized beam lines, semi-automatic welding systems, and controlled burn and water jet cutting tables.

All work is visually inspected by a CWI and recorded as per AISC, ASME, and AWS codes. Our paint facilities are complete with Wheelabrator and shot blast rooms. Surface preparation of steel and painting are checked by Quality Control and surface profile and paint millage is recorded.

Bar Angle Roll

3 1/2 x 3 1/2 up to 3/8"
Channel & Beams
Channel to 6"
Beams to 6"

Beam Line

Ficep Programmable Auto Drill

Drilling

Ficep Victory II Machine

Forming

Variety of Press brakes & dies
Capacity 14' between housing
400-Ton Press – max
Forming up to 1/2"
Mechanical Punch Press
Multiple Iron Punches
100-Ton Punch-max
1005 Geka Ironworker
Programmable CNC Control
Press Brake

Plate Roll

3/16 x 6'
1/2 x 8'
1/2 x 10'

Plasma Oxy/Fuel Cutting System

Cutting / Burn Table
Phantom Controller

Rolls

Multi Sets of Rollers 1/2" x 10'

Sandblasting

Booth w/ Bag-House
10' W x 20' L x 10' H

Saw Cutting

Multiple Band Saws
Vertical, Horizontal, Indexing
Programming
21"x 25" Capacity

Shearing

Multiple shears
1/2 x 20' on A36 Steel
3/4 x 12' on A36 Steel

Tube Bending

Jancey ER60A – 2" Capacity
Jancey Coper – 2" Capacity

Welding

MIG, TIG Submerge ARC
ASME PP, R, S, U

Coating Preparation

Various Chippers, Grinders,
Sanders, Scalers
Clemco Single Chamber Blast
System
Blast Booth w/ Hopper Recovery
System
Pangborn Rotary Blaster
Line-X Portable Unit
XS – 350
SE – 210

Material Handling

Multiple Overhead Cranes & Hoists
Multiple Fork Trucks
Boom Trucks
Flatbed – Straight Truck
Tractor Trailers w/ Step Decks & Low-
boys

Finishing

Graco Spray Equipment
Graco Xtreme 35 Sprayers
Graco Switch Tip Rac Guns
Graco G40 Series Guns
Graco Conventional Pressure Cups
Spray Application Area
25' W x 65' L x 45' H
30' W x 65' L x 20' H
50' W x 65' L x 30' H
Coatings
Zinc-base, tars, alkyd, enamels, epoxy,
urethanes
Paint Recording QAQC Systems
AISC Certified

Secondary Services

AISC Certified Erector
ASME – QAQC Program
Live video conferencing available on site
Sand, grit / or shot blasting
X-ray testing, spot or continuous, available
in our plant
